SAFETY ALERT

Celebrating over the Christmas Break

ZH Alert No:

STE - 003

Date of Issue:

5 December 2012

Christmas is once again upon us and we all know it is a time of celebration and spending time with Friends and Family.

It is unfortunately a time that we see a rise in fatalities on our roads and higher injury rates due to excessive risks taken whilst celebrating.

Our police force also shows a rise in arrest statistics during this period.

At 1300apprentice we are always concerned for your safety.....even when you're not at work. Please be very careful during the Christmas period and ensure that it remains a joyous time for you, your friends and your families.

Christmas is best enjoyed at home...not in a hospital
