

A person wearing a black cap, a light blue t-shirt, black pants, and a black backpack with yellow accents stands at a fork in a forest path. The path on the left is covered in brown leaves and leads uphill, while the path on the right is dirt and leads downhill. The forest is dense with tall trees and green foliage.

"I would like to thank 1300 apprentice for assisting us with apprentices since 2016. They make the process of setting up apprentices with TAFE enrolments & informing us of our obligations as a hosting company easy, which is an invaluable help to us. Our nominated Field Officer sets a great example as a mentor, motivating & encouraging, diligently monitoring TAFE & TAFE results, regularly conducting performance reviews at our site & maintaining B2B relationships."

A close-up photograph of a welder working in a dark environment. The welder is wearing a dark protective mask and a thick, light-colored leather glove. Bright sparks are flying from the welding point, and a strong blue light source is visible, creating a dramatic, high-contrast scene. The background is blurred, showing some industrial equipment and lights.

"Choosing to undertake an apprenticeship in Signwriting is one of the best things I have done. Not only did I receive a hands-on learning experience and individualised training in a job I love, but it gave me the benefit of incorporating full time work with study. This enabled me to save enough money to purchase my first home, all the while gaining a trade certificate".
