

2025 Aboriginal & Torres Strait Islander school-based traineeships

1300apprentice are collaborating with ANZ and schools to employ current year 10 Aboriginal or Torres Strait Islander students into school-based traineeship opportunities for 2025-2026.

ANZ's Aboriginal or Torres Strait Islander school based traineeships are a great way to receive an income, learn new skills and open doors to career opportunities.

While completing year 11 & 12 studies school-based trainees work one day a week at an ANZ branch and complete a national qualification in either Certificate II in Workplace Skills, or Certificate III in Business.

School based traineeships will commence in December school holidays OR January 2025. All applicants must identify as Aboriginal or Torres Strait Islander and be in year 10 at the time they apply.

ANZ & 1300apprentice are committed to providing employment opportunities to Aboriginal and Torres Strait Islander people.

Benefits of a traineeship:

- You'll be supported by a dedicated ANZ team, 1300apprentice, and aboriginal mentors
- You'll develop excellent customer service and teamwork skills
- After completing your traineeship there could be a world of opportunities to explore at ANZ and beyond
- Earn income and achieve a fee free qualification, while you gain valuable on-the-job experience
